The Cessna Citation X is a high-performance midsize jet renowned for its exceptional speed, range, and comfort. With a maximum range of 3,200 nautical miles and cruising speeds that make it one of the fastest business jets in the world, the Citation X is ideal for coast-to-coast travel and time-sensitive trips.

The spacious cabin features double club seating, a full refreshment center, and a fully enclosed aft lavatory. With its stand-up cabin, generous baggage capacity, and unmatched speed, the Citation X offers a seamless blend of luxury and performance for long-range, nonstop flights.
